

Machine Name : CNC slant bed lathe

Brand : TOP-TURN

Machine Model : CNC-S20

Stock No. : 67506

Ex-factory Date : 2012

Main Technical Parameters:

The maximum rotation diameter on the bed is Ø560 mm

Maximum cutting diameter: Ø 280mm

The maximum machining length between the two centers: 800 mm

Maximum spindle speed: 4200 r/min

Spindle through hole diameter: Ø 75mm

spindle nose specification: A2-6

spindle motor power: 11/15 kW

Standard chuck : 8 inches

Tool turret Accessories: 10-station hydraulic tool turret
