

Machine Name : Machining Center

Brand : ECOM

Machine Model : VMC-1370

Stock No. : 67533

Ex-factory Date : 2017

Main Technical Parameters:

CNC System: Mitsubishi M70

three-axis travel: 1300x700x620mm

Worktable size: 1410x660mm

Worktable load: 1200 kg

Distance from spindle center to the guideway surface of the column: 705mm

spindle taper: BT-50

Spindle speed: 6000 rpm

Main motor power: 15 kW

Z-axis actuating motor power: 3.0kW

3 axes rigid guideway
