

Machine Name : TURN MILL CENTER

Brand : Miyano

Machine Model : BNA-42S2

Stock No. : 811695

Ex-factory Date : 2020

Main Technical Parameters:

CNC System: Fanuc TD

Maximum machining Length: 235 mm

Maximum machining Diameter: 80 mm

Distance Between Spindles: 310 mm

Bar Diameter: 42 mm

Spindle Speed: 6000 rpm

Driven Tool: Equipped with driven tool

Configuration:

Equipped with chip receiver and receiving tray

Equipped with LNS variable-frequency chip conveyor

Equipped with bar feeder
