

Machine Name : Wheel Loaders

Brand : LIUGONG

Machine Model : CLG855

Stock No. : 67600

Ex-factory Date : 2010

Main Technical Parameters:

Rated load: 5000 kg

Standard container capacity: 3.0 cubic meters

The operating weight of the entire machine: 16.5-17 tons

Engine model: Weichai/Guangxi Cummins straight-six diesel engine

Rated power: 162-170 kW (220-230 horsepower)

Maximum lifting force: ≥ 170 kN

Unloading height: 3.1 meters

Unloading distance: 1.1 meters

Tire specifications: 23.5-25
