

Machine Name : Fire Trucks

Brand : HOWO

Machine Model : HOWO6x4

Stock No. : 67601

Ex-factory Date : 2010

Main Technical Parameters:

Engine model: Sinotruk WD615 straight-six cylinder

Maximum horsepower: 336 horsepower

Displacement: 9.726L

Maximum torque: 1350N·m

Fuel type: Diesel

Transmission: Ten-speed transmission for high and low speeds

Drive form: 6x4 (rear eight wheels)

Water tank capacity: 10 tons of water + 2 tons of foam

The raised jet height is 16 meters

The range of the remote-controlled water cannon is 70 meters
