

Machine Name : TURN MILL CENTER

Brand : Takisawa

Machine Model : TS-4000Y

Stock No. : 4811187

Ex-factory Date : 2021

Main Technical Parameters:

CNC System: FANUC Series 32i-MODEL B

Maximum Swing diameter: 600mm

Maximum machining diameter: 370mm

Maximum machining length: 750mm

Bar machining diameter: 82mm

Three-axis travel:

X-axis: 325mm

Y-axis: -50 to +70mm

Z-axis: 840mm

Spindle: A2-8

Maximum spindle speed: 4200rpm

Through hole diameter: 94mm

Tailstock:

Maximum thrust: 12kN

Tailstock travel: 780mm

Configuration:

Tool turret positions: 12-position power tool turret

Servo tailstock

Capable of eccentric machining and complex contour milling

Equipped with a cooling spray system inside

Chip conveyor

Oil mist collector

High-pressure cooling unit
