

Machine Name : Cylindrical grinder

Brand : TACCHELLA

Machine Model : PROFLEX3

Stock No. : 811785

Ex-factory Date : 2012

Main Technical Parameters:

CNC System: Siemens SINUMERIK 840D

Max. grinding diameter: 300 mm

Max. grinding distance: 650 mm

Max. workpiece clamping length: 1000 mm

Max. workpiece load: 300 kg

Grinding wheel peripheral speed: 120 m/s

Grinding head angle: Servo-controlled, adjustable at any angle

Configuration:

Equipped with 3 high-speed grinding heads

Hydrostatic guideways + linear motor drive

Full closed-loop linear scale feedback system

Tailstock: Hydraulic servo tailstock
