

Machine Name : Optical Profile Grinding Machine

Brand : WASINO

Machine Model : GLS125

Stock No. : 467603

Ex-factory Date : 1985

Main Technical Parameters:

Dimensions after processing: 150 × 60 mm.

Maximum diameter of the grinding wheel: 125mm

Projector magnification: 50x

Range of longitudinal movement for the grinding head slide seat: 150mm.

Workbench movement: 100x60x150mm

Sliding speed of the wheel shaft: 45-85 m/min.
