

Machine Name : CNC Twin-head Milling Machine

Brand : JIZHAO

Machine Model : JZ-700

Stock No. : 67700

Ex-factory Date : 2020

Main Technical Parameters:

machining range: 50x50 to 700x700 mm

Worktable size: 520x520 mm

Spindle type: Double-sided horizontal spindle, operating synchronously

spindle taper: NT50

spindle motor power: 18.5kW

Spindle speed range: 50-500 rpm

Tool head diameter: 320mm

Maximum workpiece weight: 500 kg

CNC System: Baoyuan CNC System
