

Machine Name : Cylindrical grinder

Brand : Shigiya

Machine Model : GAC-30B.40

Stock No. : 811842

Ex-factory Date : 2019

Main Technical Parameters:

CNC system: FANUC 0i-TD

Swing diameter over table: $\phi 300$ mm

Grinding length: 400 mm

Distance between centers: 400 mm

Maximum workpiece weight: 150 kg

Grinding wheel size: $\phi 510 \times 50 \times \phi 152.4$ mm

Grinding wheel head structure: 30° inclined layout

Spindle speed: 15-600 rpm (stepless variable speed)

Machine weight: approximately 4.5 tons
