

Machine Name : Vertical Machining Center

Brand : Makino

Machine Model : V33i

Stock No. : 67718

Ex-factory Date : 2008

Main Technical Parameters:

CNC System: professional 5

three-axis travel: 650 * 450 * 250 mm

Worktable size: 750 * 450 mm

Distance from spindle to Worktable surface: 450 mm

Tool holder model: HSK-F63

Number of tools Tool holders: 25

Spindle speed: 30,000 rpm

machine tool service life: 8,000 hours

Configuration

Laser Tool aligner aligner Aligner

Marbosi OP32 online probe

Complete set of MST heat shrink tool holders, heat shrink devices
