

Machine Name : Gantry Machining Center

Brand : AWEA

Machine Model : SP2012

Stock No. : 67728

Ex-factory Date : 2016

Main Technical Parameters:

three-axis travel: 2000x1200x750mm

Worktable size: 2000x1100mm

Gantry width: 1300mm

Gantry height: 960mm

Distance from spindle nose to Worktable: 200/950 mm

spindle: BT50

spindle power: 18.5kw

Spindle speed: 6000rpm

CNC System: FANUC 18i-MB

Configuration

3 axes, Two linear guideways and one rigid guideway

Oil-cooled chiller

With a hydraulic station

With pin placement machine
