

Machine Name : Hobbing machine

Brand : 3TC

Machine Model : 5343П

Stock No. : 67737

Ex-factory Date : 1987

Main Technical Parameters:

Standard machining diameter: 3200 mm

Extended machining diameter: 4000mm

machining module: 32mm

machining height: 2100 mm

Maximum length of the gear Tool: 425mm

The maximum diameter of the gear Tool is 360 mm

The range of machining teeth: 20 to 1800 teeth

Maximum helix Angle: $\pm 45^\circ$

Worktable diameter: 2800 mm

Worktable load: 20 TONS

Main motor power: 55 to 75 kW
