

Machine Name : Tapping machine

Brand : TRIDENT

Machine Model : TR-70A

Stock No. : 67772

Ex-factory Date : 2017

Main Technical Parameters:

CNC System: Mitsubishi M70

three-axis travel: 700 × 400 × 450 mm

Worktable size: 800 × 420mm

Worktable load: 500 kg

Spindle type: BT40

Spindle speed: 12,000 rpm

spindle power: 7.5kW

3 axes fast traverse speed: 30 m/min

Positioning precision: ± 0.005mm / 300mm

Repeated Positioning precision: ± 0.003mm
