

Machine Name : High speed Machining Center

Brand : Taikan

Machine Model : T-V856H

Stock No. : 811944

Ex-factory Date : 2024

Main Technical Parameters:

CNC System: Mitsubishi M80VA

Three-axis travel (X/Y/Z): 800 × 500 × 600 mm

Spindle: HSK-A63 electric spindle, 37 kW

Spindle speed: 18,000 rpm

Guideway type: Three-axis 45 roller linear guideways

Ball screw: Three-axis Hollow-cooled ball screws

Function: Rear chip flushing

Cooling system: Variable-frequency water chiller

Electrical system: External large transformer
