

**Machine Name : Punch**

**Brand : AMADA**

**Machine Model : TP-25**

**Stock No. : 67860**

**Ex-factory Date : 2018**

**Main Technical Parameters:**

Nominal pressure: 25 tons

travel frequency: 80-200spm

Slider travel: 50mm

Closing height: 195mm

Slider adjustment range: 50mm

The bottom surface size of the slider is 250×200mm

Worktable board size: 550×300mm

Emergency stop time: 145ms

Maximum stop time: 185ms

The setting position of the travel monitoring device is 15 degree

Main motor power: 3.7 kilowatts
