

Machine Name : 5 Axis Machining Center

Brand : HNAS

Machine Model : HV1160H

Stock No. : 812003

Ex-factory Date : 2019

Main Technical Parameters:

CNC System: Siemens 828D

Three-axis travel: 1100 × 600 × 600 mm

Rotation angle of A-axis: -35° to 135°

Rotation angle of C-axis: 360°

C-axis worktable diameter: 410 mm

Spindle speed: 8000 rpm

Spindle taper: BT50

Equipment usage time: 300 hours

Equipped functions:

Marposs measurement system

High-pressure through-spindle coolant system
