

Machine Name : Lathe

Brand : VICTOR

Machine Model : TMK 500x1500

Stock No. : 68034

Ex-factory Date : 2010

Main Technical Parameters:

The maximum rotational diameter on the bed: $\phi 500\text{mm}$

The maximum rotation diameter on the slide plate: $\phi 290\text{mm}$

The maximum distance between the two centers: 1500mm

spindle through hole diameter: $\phi 80\text{mm}$

Taper of spindle through hole: MT6

Number of tool holder workstations: 4 workstations

The maximum cross-section of the square tools Tool holder is 25x25mm
