

Machine Name : Vertical tool pre-alignment device

Brand : KELCH

Machine Model : KALIMAT E 58-1/C

Stock No. : 68155

Ex-factory Date : 2016

Main Technical Parameters:

spindle taper: SK50

Spindle speed: 0-120rpm with stepless speed regulation

spindle drive: manual rotation + pneumatic locking

Optical magnification: 10 times

Field of view: 12×9mm at 10x magnification; At 20 times magnification: 6×4.5mm

The external Footage of the equipment are 1100×800×1950mm

Net weight of the equipment: approximately 480kg
