

Machine Name : Robot

Brand : KUKA

Machine Model : KR210 R2700

Stock No. : 68193

Ex-factory Date : 2014

Main Technical Parameters:

load: 210 kilograms

Maximum arm span: 2700mm

Repeatability precision: ± 0.06 mm

Protection grade: IP65

Number of axes: 6 axes

Installation location: Ground

Base installation Footage: 670×670mm
