

Machine Name : Automatic lathes

Brand : TORNOS

Machine Model : DECO-8SP

Stock No. : 468035

Ex-factory Date : 2005

Main Technical Parameters:

The maximum diameter of the bar stock that can pass through: $\varnothing 8\text{mm}$

Maximum machining diameter: $\varnothing 8\text{mm}$

The maximum machining length of spindle is 120mm

The maximum machining length of the back-spindle: 30mm

Number of axes: 8 axes (X1/Z1/C1/X2/Z2/C2/Y1/Y2)

simultaneous control number of axes: 8 axes simultaneous control
