

Machine Name : CNC turning lathe

Brand : Yunnan Machine

Machine Model : CK6150×2000

Stock No. : 812412

Ex-factory Date : 2024

Main Technical Parameters:

CNC System: GSK 980TB3

Machining length: 2000 mm

Maximum turning diameter over bed: $\Phi 500$ mm

Maximum turning diameter over cross slide: approx. $\Phi 280$ mm

Chuck type: Hydraulic chuck

Spindle structure: 3-speed gearbox with variable frequency drive (VFD)

Guideway type: Rigid box guideway
