

Machine Name : 5 Axis Machining Center

Brand : MECOF

Machine Model : Dynamill G5

Stock No. : 467991

Ex-factory Date : 2022

Main Technical Parameters:

Equipment type: Gantry 5 axes machining center

CNC System: Siemens 840DsL

Spindle type: E62G

Spindle speed: 12,000 rpm

Tool Tool holder type: HSK 100-A

three-axis travel: 2500x3500x1500mm

Worktable size: 2500x3000mm

The size of the ram is 500x580 mm

The rotation range of the A-axis is $\pm 115^\circ$

The rotation range of the C-axis is $\pm 360^\circ$

Configuration

tools magazine

Tool Aligner

With RTCP function

5 axes simultaneous control function package

spindle cooling support IRDS Cooling CNC System

spindle center flushing function
