

Machine Name : High speed punch

Brand : MATEX

Machine Model : B-55

Stock No. : 68285

Ex-factory Date : 2020

Main Technical Parameters:

Nominal pressure: 53.9 kN

Slider travel length: 30mm

Stamping travel times: 200 to 300 spm

Mold closing height: 190mm

Slider adjustment range: 20mm

The bottom surface size of the slider is 120 × 128mm

Worktable size: 330 × 240 × 35mm

Throat opening size: 120 × 80mm
