

Machine Name : Line cutter machine

Brand : Samsung

Machine Model : HS-15LG

Stock No. : 68287

Ex-factory Date : 2011

Main Technical Parameters:

The maximum rotational diameter on the bed: $\phi 280\text{mm}$

Maximum turning diameter: $\phi 150\text{mm}$

Maximum machining length: 200mm

spindle through hole diameter: $\phi 42\text{mm}$

Spindle speed range: 50 to 6000rpm

The rated power of spindle motor is 5.5kW

Standard chuck : 6 inches

CNC System: FANUC oi-TD
