

Machine Name : Tapping machine

Brand : Fanuc

Machine Model : ROBODRILL -T21i FB

Stock No. : 68321

Ex-factory Date : 2012

Main Technical Parameters:

CNC System: FANUC

three-axis travel: 500x400x330mm

Worktable size: 650x400mm

Maximum workpiece load: 200kg

spindle taper: BT30

Standard Spindle speed: 24,000 RPM

spindle rated power: 3.7kW

tools magazine: 21 pieces

3 axes fast traverse speed: 48m/min

Maximum cutting feed: 30,000 mm/min

Positioning precision: $\pm 0.003\text{mm}$

Repeated Positioning precision: $\pm 0.0015\text{mm}$
