

**Machine Name : Plano Milling and Boring Machine**

**Brand : SCHIESS**

**Machine Model : P-160**

**Stock No. : 812469**

**Ex-factory Date : 2012**

**Main Technical Parameters:**

CNC System: Siemens 840D sl

Four-axis travel: 2600 × 3000 × 1600 × 1000 mm

Worktable length: 1600 mm

Worktable load: 25 tons

Spindle diameter:  $\Phi 155$  mm

Control function: 5-axis, any 4-axis simultaneous interpolation

Feedback system: Heidenhain full closed-loop linear scales
