

Machine Name : CNC Gantry machining Center

Brand : OKUMA

Machine Model : 12046

Stock No. : 68340

Ex-factory Date : 2022

Main Technical Parameters:

CNC System: Siemens 828D

three-axis travel: 12000x4000x2000mm

The maximum distance from spindle nose to Worktable: 2000mm

Worktable size: 12000x4000mm

Maximum load: approximately 40 tons

spindle taper: BT50

Spindle speed: 6000rpm

Rated power of spindle motor: 37kW

magazine capacity: 40 pieces

Maximum diameter/length of Tool: 120/350 mm

Full travel Positioning precision: $\pm 0.025\text{mm}$

Repeated Positioning precision: $\pm 0.012\text{mm}$

Total installed power: approximately 80kVA

Overall weight: Approximately 120 tons
