

Machine Name : Punch

Brand : SENSON

Machine Model : CSP-25

Stock No. : 68349

Ex-factory Date : 2018

Main Technical Parameters:

Nominal stamping capacity: 25 tons

Slider travel: 100mm

Die height: 40mm

Mold height adjustment: 20mm

Worktable size: 720×340mm

The bottom surface size of the slider is 350×260mm

The height of Worktable from the ground: 940mm

Main motor power: 5HP

Power supply specification: 380V / 50Hz

The equipment occupies an area of 935×1120mm
