

Machine Name : Gantry milling machine

Brand : ChinYuanSing

Machine Model : CH-4520

Stock No. : 68355

Ex-factory Date : 2012

Main Technical Parameters:

Worktable size: 4500 × 1600 mm

three-axis travel: 4500x2000x400mm

The passage width of the double-column gantry is 2050 mm

The maximum distance from spindle nose to Worktable surface is 1000 mm

The left-right travel of the side milling head: 300mm

The up and down travel of the side milling head: 550mm

Worktable load: 6000kg
