

Machine Name : Gantry milling machine

Brand : ChinYuanSing

Machine Model : CH-3016

Stock No. : 68361

Ex-factory Date : 2019

Main Technical Parameters:

Worktable size: 3000 × 1300 mm

three-axis travel: 3000x1600x300mm

The passage width of the double-column gantry is 1630mm

Distance from spindle nose to Worktable surface: 1000mm

The left-right travel of the side milling head: 300mm

The up and down travel of the side milling head: 550mm

The maximum load of Worktable: 4000 kg
