

Machine Name : Automatic lathes

Brand : TORNOS

Machine Model : Switzerland Nano 7

Stock No. : 812489

Ex-factory Date : 2019

Main Technical Parameters:

CNC system: FANUC Oi-TF

Maximum machining length: 100 mm

Maximum machining diameter: Ø7 mm

Number of linear axes: 6 axes

Number of C axes: 2 axes

Number of independent tool systems: 2 sets

Total tool positions: 24

Power tool positions (rotating tools): 10
