

Machine Name : Engraving and milling machine

Brand : SEMICON

Machine Model : MV865

Stock No. : 68380

Ex-factory Date : 2005

Main Technical Parameters:

Worktable size: 1000×600mm
three-axis travel: 850×600×550mm
spindle taper: BT40
Maximum spindle speed: 8000rpm
spindle motor power: 15kW
CNC System: FANUC 0i-MC
Worktable load: 800kg
T-slot specification: 3-18×100mm
Positioning precision: $\pm 0.008\text{mm}$
Repeated Positioning precision: $\pm 0.004\text{mm}$
The total weight of machine tool: 6,500 kg
Rated total power: 20kW
