

Machine Name : broaching machine

Brand : Sunny Oil Press

Machine Model : SF-VB75

Stock No. : 68382

Ex-factory Date : 2009

Main Technical Parameters:

Rated broaching force: 75kN

Maximum broaching travel: approximately 750mm

Maximum working oil pressure: 7MPa

AppVertical machining centerble machining : broaching of inner keyways, splined holes, and irregular through holes

Drive mode: hydraulic drive, with stepless adjusWorktable broaching speed

Overall dimensions: 2100x1400x (2400+1700) mm
