

Machine Name : CNC turning lathe

Brand : L&L

Machine Model : TLA 29-3000

Stock No. : 68442

Ex-factory Date : 2006

Main Technical Parameters:

CNC System: FANUC oi-TC

Maximum rotational diameter on the bed surface: 737mm

Maximum turning diameter of the skateboard: 430mm

Maximum processing length: 3000mm

X-axis travel range: 400mm

Z-axis travel range: 3000mm

Spindle speed: 500 rpm

Main shaft diameter: 130mm

Chuck: 12 inches
