

Machine Name : CNC turning lathe

Brand : ACE

Machine Model : LT-2LM 500 S

Stock No. : 468076

Ex-factory Date : 2021

Main Technical Parameters:

The maximum rotation diameter on the bed is 500mm

The maximum machining length is 1000mm

The diameter of spindle through hole is 80mm

Spindle speed range: 50 to 3000rpm

Main motor power: 11kW

Tool turret Accessories: 8-station electric tool turret

X-axis travel: 250mm

Z-axis travel: 1000mm

Fast moving rate: X:15m/min, Z:20m/min

Positioning precision: $\pm 0.01\text{mm}$

Repeated Positioning precision: $\pm 0.005\text{mm}$

Rated capacity: 35kVA

CNC System: FANUC 0i-TF
