

Machine Name : Jig grinding machine

Brand : Hauser

Machine Model : 3 SMO

**Stock No. :
32470cebeb22cd142a4789b6fec107dc**

Ex-factory Date :

Main Technical Parameters:

Bench length 595 mm

Workbench width 320 mm

Longitudinal stroke (x-axis) 400 mm

Transverse stroke (Y-axis) 250 mm

Vertical sliding stroke 500 mm

Channel from grinding motor to table 490 mm

Distance between spindle center and vertical slider 310 mm

Grinding diameter 220 mm

280 mm with display panel

Taper grinding angle 12.0 °

Vertical travel of grinding spindle (stepless) 1-110 mm

Travel speed (stepless) 6.0 M / min

Planetary speed: c-axis

Stepless 330 rpm

VOLTAGE 50 hz3x 380 volt

Spindle motor 7.50 HP

The weight of the machine is about 2000 kg

Overall dimension of the machine 1500 * 1300 * 2200 mm
