

Machine Name : Plano Milling and Boring Machine

Brand : SCHIESS

Machine Model : P-160

Stock No. : 4812469

Ex-factory Date : 2012

Main Technical Parameters:

CNC System: Siemens 840D sl

Four-axis travel: 2600 × 3000 × 1600 × 1000 mm

Worktable length: 1600 mm

Worktable load: 25 tons

Spindle diameter: $\Phi 155$ mm

Control function: 5-axis, any 4-axis simultaneous interpolation

Feedback system: Heidenhain full closed-loop linear scales
