

Machine Name : Injection Molding Machine

Brand : ningsu

Machine Model : NPC110

Stock No. : 468549

Ex-factory Date : 2021

Main Technical Parameters:

Rated clamping force: 1100KN
Mold opening travel: 350
The inner spacing of the pull rod: 360×360
Maximum modulus: 380
Minimum mold thickness: 150
Ejection travel: 100
Maximum top force: 38KN
