

Machine Name : CNC turning lathe

Brand : UGINT

Machine Model : L1600

Stock No. : 468547

Ex-factory Date : 2017

Main Technical Parameters:

The maximum rotation diameter on the bed is 550 mm

Maximum machining workpiece diameter: 390mm

Maximum machining length: 343 mm

chuck : 6 inches

Bar through-hole capacity: 45mm

Spindle speed: 6000 rpm

tools turret workstations: 12

With tailstock
