

Machine Name : Automatic lathes

Brand : TORNOS

Machine Model : Switzerland DT 26 S

Stock No. : 4812773

Ex-factory Date : 2021

Main Technical Parameters:

CNC System: FANUC Oi-TF

Machining length: 195mm

Maximum bar diameter: 26mm

Main-spindle/Back-spindle speed: 10,000 rpm

Configuration:

With rear-mounted drive

Rear-axle power

Side milling power

Rotating guide sleeve

LNS feeding machine

Oil mist collector

High pressure pump

Transformer
