

Machine Name : TURN MILL CENTER

Brand : Miyano

Machine Model : BND-34S5

Stock No. : 68720

Ex-factory Date : 1998

Main Technical Parameters:

The maximum machining diameter of bar stock: $\phi 34\text{mm}$

The maximum rotational diameter on the bed: $\phi 220\text{mm}$

Maximum cutting diameter: $\phi 122\text{mm}$

The maximum machining length of the main spindle is 220mm

The machining length of the back of the secondary spindle: 80mm

X-axis travel: 140mm

Z-axis travel: 220mm

Power tools speed: 4000rpm

CNC System: FANUC
