

Machine Name : CMM

Brand : ZEISS

Machine Model : Spectrum 7/7/6

Stock No. : 4812557

Ex-factory Date : 2017

Main Technical Parameters:

Measurement travel: 700 × 700 × 600 mm

Configuration:

RDS VAST XXT probing system

CALYPSO measurement software

Automatic probe changer rack (3 probe storage positions)

Curve scanning module

Windows-based operating system platform
