Machine Name : Cylindrical grinder

Brand : Paragon

Machine Model : GU-3250S

Stock No. : 68773

Ex-factory Date : 2002

Main Technical Parameters:

The maximum rotation diameter on the bed is 320 mm
Maximum grindable external diameter: 280mm
The maximum Distance between centers between the two centers: 500 mm
Center height: 160mm
Top taper: Mohs No. 4
The maximum workpiece load of the two centers is 150 kg
