

Machine Name : Surface grinder

Brand : BLOHM

Machine Model : 48CNC

Stock No. : 4812796

Ex-factory Date : 2014

Main Technical Parameters:

CNC System: Siemens 840D sl

Feedback system: Full closed-loop with Heidenhain glass scales

Worktable: 700 x 400 mm rotary table

Vibration measurement and balancing instrument: MARX

Grinding wheel dresser: German automatic precision double dresser

Cooling and filtration system: High-pressure cooling and filtration unit
