

Machine Name : CNC milling machine

Brand : Chevalier

Machine Model : TL-966VMC-L

Stock No. : 468560

Ex-factory Date : 2017

Main Technical Parameters:

three-axis travel: 900x600x600mm

Working Footage: 1000× 550mm

Worktable load: 800 kg

Distance from spindle nose to Worktable: 120-720 mm

Distance from spindle center to the guideway surface of the column: 600 mm

spindle: BT40

Spindle speed: 10,000 RPM

CNC System: Mitsubishi M70A
