Machine Name : Automatic lathes

Brand : Citizen

Machine Model : A20

Stock No. : 468653

Ex-factory Date : 2010

Main Technical Parameters:

Spindle speed: 10,000 RPM
Maximum machining bar diameter: Φ20mm
The maximum machining length of the guide sleeve mode is 200mm
machining length without guide sleeve mode: 188mm
spindle through hole: Φ26mm
Three axes without side milling
