

Machine Name : CNC hobbing machine

Brand : 3TC

Machine Model : 5343

Stock No. : 69053

Ex-factory Date : 1968

Main Technical Parameters:

The maximum diameter of the workpiece (gear) is approximately Φ 4000mm

Maximum machining module: 30-32mm

Worktable diameter: approximately Φ 2800mm

The maximum load of Worktable: approximately 40 tons

The total weight of machine tool: approximately 85 to 100 tons
