

Machine Name : Spark eroder

Brand : Topedm

Machine Model : DF-450

Stock No. : 468832

Ex-factory Date : 2023

Main Technical Parameters:

Worktable size: 700×400mm

three-axis travel: 450×350×200mm

Maximum electrode load: 120kg

Maximum workpiece load: 900kg

Footage inside the working oil Water tank: 1065×640×450mm

Repeated Positioning precision: $\pm 0.005\text{mm}$

Optimal surface roughness: $Ra \leq 0.2\mu\text{m}$

accessory control cabinet: MP-50

Input power supply: Three-phase 380V 50Hz

The rated power of the entire machine: 5.5kVA

Net weight of machine tool: 1500kg
