

Machine Name : Cylindrical grinder

Brand : Paragon

Machine Model : GU-3250S

Stock No. : 468773

Ex-factory Date : 2002

Main Technical Parameters:

The maximum rotation diameter on the bed is 320 mm

Maximum grindable external diameter: 280mm

The maximum Distance between centers between the two centers: 500 mm

Center height: 160mm

Top taper: Mohs No. 4

The maximum workpiece load of the two centers is 150 kg
